

Cancer Support Group

9-week program

February 13-June 25

2nd and 4th Monday of the month

10-11:30 am

Yarn works, knitting love into every stitch

Empowered by Hand Work

Working with your hands is empowering, especially for those affected by cancer. If you or the life of someone you know has been touched by cancer, join us to create new projects while sharing your experience. Projects include scarves, hats, afghans, prayer shawls and heart pillows.

Completed projects can be taken home or donated to cancer survivors undergoing treatment.

Where: Medical oncology conference room #2616
Sister Michael Berry Building, Mercy Campus

Facilitators: Michelle Leverage, social worker, Mercy Health System
Paulette Remillard, retired nurse and health care volunteer
Rita Lynes, experienced hobby knitter and volunteer

For more information or to register, call (608) 756-6824.

What you need for this program:

Knitting and crocheting materials (i.e., needles and yarn) to complete projects in support group meetings and at home.

With all our heart. With all our mind.
